

# STOP THE FITZER DRIVE DEVELOPMENT

## Speak Up Before 19 December – PA2025/0441

- Loss of native Ludmilla bushland and wildlife habitat.
- More traffic on Fitzer Drive and increased safety risks.
- Unnecessary service station adding fumes and heavy vehicles.
- Contaminated soil containment cell close to homes.
- No updated cultural assessment for Gwalwa Daraniki land.
- Scale of development does not match Area Plan or SD37 intent.

### HOW TO OBJECT:

Email your objection to [das.ntg@nt.gov.au](mailto:das.ntg@nt.gov.au) before midnight 19 December. Include the application number **PA2025/0441**, your name, address, and a statement saying you object.

**Darwin  
Greenbelt  
Group – Save  
the Ludmilla  
Bushblock**

**Your objection does not need  
technical detail.**

**A short statement in your own  
words makes a real difference.**

## Your voice matters. Help protect Ludmilla.
